A small fragment of this highly confidential interview was first printed on August, 1976 in "The Battle Ax", the official publication of the N.E.W.S. Party which is copyrighted. At that time, it simply stated that the Jew, Mr. X, was an "administrative assistant to one of this nation's top ranking senators." There must have been a leak as to the identity of Mr. X, or the interview may have been bugged, for since that time Harold Wallace Rosenthal, 29, the administrative assistant to Senator Jacob K. Javits of New York, was killed in an alleged skyjacking attempt on an Israeli airliner in Istanbul, Turkey on Aug. 12, 1976. It is amazing that of all the people involved in this incident Mr. X should have been fatally wounded. He was not killed by a random bullet, and this simply confirms the truth of this sensational interview.

Part 1 published in "The Battle Ax", Issue 103, August, 1976 under the title "Jews Amazed By Christian Stupidity"

In a highly confidential interview with a Jewish administrative assistant to one of this nation's ranking senators, he said, "It is a marvel that the American people do not rise up and drive every Jew out of this country."

The Jew, Mr. X, made this statement after admitting Jewish dominance in all significant national programs. He said, "*We Jews continue to be amazed with the ease by which Christian Americans have fallen into our hands. While the naive Americans wait for Khrushchev to bury them, we have taught them to submit to our every demand.*"

Asked how a nation could be captured without their knowing it, Mr. X attributed this victory to absolute control of the media, He boasted of "*Jewish control of all news. Any newspaper which refused to acquiesce to controlled news was brought to its knees by withdrawing advertising. Failing in this, the Jews stop the supply of news print and ink. It's a very simple matter,*" he stated.

Asked about men in high political office, Mr. X said, "*No one in the last four decades has achieved any political power without Jewish approval.*"

"*Americans have not had a presidential choice since 1932. Roosevelt was our man, every president since Roosevelt has been our man.*"

In a discussion about George Wallace, Mr. X smiled and suggested that we note where Wallace stands today.

When the U.S. foreign policy was mentioned, the bedroom confidence of the interview was all but set aside. With disdain and mockery he sneered at the American stupidity in failing to see through the entire scope of Kissinger's foreign policy.

"*It is the Zionist-Communist policy from beginning to end. Yet the citizens think this Jewish policy will benefit America.*"

He cited detente and Angola as examples of Jewish diplomacy. The credulous nature of Americans drew only contempt from him. The interview continued on an almost omniscient plane.

"We Jews have put issue upon issue to the American people. Then we promote both sides of the issue as confusion reigns. With their eyes fixed on the issues, they fail to see who is behind every scene. We Jews toy with the American public as a cat toys with a mouse."

As the conversation went on into the late hours, one could sense that perhaps America deserves the reign of terror being planned for her. The Jewish mind pits every ethnic group against the other.

"The blood of the masses will flow as we wait for our day of world victory," Mr. X said coldly.

For hours after this incredible discussion, a sense of inadequacy prevailed. Is it possible that another group of "human beings" could be so treacherous in spirit, so evil in intent? Yet, the words heard and the evidence at hand are real. Is it possible that the American people can remain docile, even while their life's blood is being drained from them? It seems so.

Part 2 published in "The Battle Ax", Issue 105, October, 1976 under the title "Sensational Interview With High Ranking Jew Reveals Facts of Their Control and White Christian Stupidity"

Printed below is the conclusion of the interview begun in the August edition (above).

In the calm and quietness of this enlightening conversation it became clear that the understanding poured fourth did not come from a novice. Rather, it was the insight of one whose mind was thoroughly immersed in the one-world plan of world Jewry.

Mr. X was asked how Jews gain acceptance so easily among other races. His answer was long and thorough.

"At a very early date, urged on by the desire to make our way in the world, Jews began to look for a means whereby we might distract ail attention from the racial aspect. What could be more effective, and at the same time more above suspicion, than to borrow and utilize the idea of a religious community? We've been forced to borrow this idea from the Aryans. We Jews never possessed any religious institution which developed out of our own consciousness: for we lack any kind of idealism. This means that a belief in a life beyond this terrestrial existence is foreign to us. As a matter of fact the Talmud does not lay down principles with which prepare the individual for a life to come, but furnishes only rules for a sumptuous life in this world, It is a collection of instructions for maintaining the Jewish race and regulating intercourses between us and the goy, Our teachings are not concerned with moral problems, but rather with how to get.

"In regard to the moral value of the Jews' religious teaching, there exist quite exhaustive studies which show the kind of religion that we have in a light that makes it look uncanny to the Aryan mind, We are the best example of the kind of product which religious training evolves. Our life is of this world only and our mentality is as foreign to the true spirit of Christianity as our character was to the Founder of this new creed 2000 years ago. The Founder of Christianity made no secret of his estimation of the Jews and the fad that he was not one of us. When he found it necessary, he drove us out of the temple of God, because then, as always, we used religion as a means of advancing our commercial interest.

"But at that time, we managed to nail Jesus to the cross for his attitude towards us; whereas, the modern Christians enter into party politics and in order to win elections, they debase themselves by begging for Jewish votes. They even enter into political intrigues with us against the interests of their own nation. We can live among other nations and states only as long as we succeed in persuading them that the Jews are not a distinct people, but are the representatives of a religious faith who, therefore, constitute a 'religious community' though this be of a peculiar character. As a matter of fact, this is the greatest of our falsehoods.

"We are obliged to conceal our own particular character and mode of life so that we will be allowed to continue our existence as a parasite among the nations. Our success in this line has gone so far that many

*believe that the Jews among them are genuine Frenchmen, or Englishmen, or Italians, or Germans who just happen to belong to a religious denomination which is different from that prevailing in these countries. Especially in circles concerned with government, where the officials have only a minimum of historical sense, we are able to impose our infamous deception with comparative ease. Therefore, there is never the slightest suspicion that we Jews form a distinct nation and are not merely the adherents of a **religious confession**, though one glance at the press which we control ought to furnish sufficient evidence to the contrary, even for those who possess only the smallest degree of intelligence."*

When questioned about the ways in which the Jews have gained power, Mr. X said, *"Our power has been created through the manipulation of the national monetary system. We authored the quotation, 'Money is power'. As revealed in our master plan, it was essential for us to establish a private national bank. The Federal Reserve System fitted our plan nicely since it is owned by us, but the name implies that it is a government institution. From the very outset, our purpose was to confiscate all the gold and silver coins, replacing them with worthless non-redeemable paper notes. This we have done!"*

When asked about the term "non-redeemable notes", Mr. X replied, *"Prior to 1968, the gullible goy could take a one dollar Federal Reserve note into any bank in America and redeem it for a dollar which was by law a coin containing 412 1/2 grains of 90 per cent silver. Up until 1933, one could have redeemed the same note for a coin of 25 4/5 grains of 90 per cent gold. However, since 1968 the dollar Federal Reserve note is not redeemable for anything defined to be 'lawful money'. All we do is give the goy more non-redeemable notes, or else copper slugs. But we never give them their gold and silver. Only more paper,"* he said contemptuously.

"We Jews have prospered through the paper gimmick. It's our method through which we take money and give only paper in return." He was then asked to give an example of this. He replied, *"The examples are numerous, but a few readily apparent are the stocks and bonds market, all forms of insurance and the fractional reserve system practiced by the Federal Reserve corporation, not to mention the billions in gold and silver that we have gained in exchange for paper notes, stupidly called money."*

"Money power was essential in carrying out our master plan of international conquest through propaganda." Asked how they proposed doing this, he said, *"At first, by controlling the banking system we were able to control corporation capital. Through this, we acquired total monopoly of the movie industry, the radio networks and the newly developing television media. The printing industry, newspapers, periodicals and technical journals had already fallen into our hands. The richest plum was later to come when we took over the publication of all school materials. Through these vehicles we could mold public opinion to suit our own purposes. The people are only stupid pigs that grunt and squeal the chants we give them, whether they be truth or lies."* Asked if the Jews felt any threat from the silent majority, he laughed at the idea, saying, *"There is no such thing as the silent majority because we control their cry and hue. The only thing that exists is an unthinking majority and unthinking they will remain, as long as their escape from our rigorous service is the opiate of our entertainment industry."*

"By controlling industry, we have become the task masters and the people the slaves. When the pressure of daily toil builds to an explosive degree, we have provided the safety valve of momentary pleasure. The television and movie industries furnish the necessary temporary distraction. These programs are carefully designed to appeal to the sensuous emotions, never to the logical thinking mind."

"Because of this, the people are programmed to respond according to our - dictates, not according to reason. Silent they never are; unthinking they will remain." Continuing his thought of Jewish control over the goy, Mr. X said; *"We have castrated society through fear and intimidation. Its manhood exists only in combination with a feminine outward appearance. Being so neutered, the populace has become docile and*

easily ruled. As all geldings in nature, their thoughts are not involved with the concerns of the future and their posterity, but only with the present toil and the next meal."

It was obvious that the excitement of Mr. X was triggered when mention was made of the nation's industry.

"We have been successful in dividing society against itself by pitting labor against management. This perhaps has been one of our greatest feats, since in reality it is a triangle, though only two points ever seem to occur. In modern industry there exists capital, which force we represent, at the apex. Both management and labor are on the base of this triangle. They continually stand opposed to each other and their attention is never directed to the head of their problem.

"Management is forced to raise prices since we are ever increasing the cost of capital. Labor must increase its wages in order to pay the inflating prices for products it must have. This causes management to further increase prices. We have directed the attention of both to each other as the cause of the inflation cycle. Labor must have increasing wages and management must have higher prices, thus creating a vicious cycle. We are never called to task for our role which is the real reason for inflation, since the conflict between management and labor is so severe that neither has time to observe our activities. It is our increase in the cost of capital that causes the inflation cycle. We do not labor or manage, and yet we receive the profits.

"Through our money manipulation, the capital that we supply industry costs us nothing. Through our national bank, the Federal Reserve, we extend book credit, which we create from nothing, to all local banks who are member banks. They in turn extend book credit to industry. Thus, we do more than God, for all of our wealth is created from nothing. With this supposed capital we bring industry, management and labor into our debt, which debt only increases and is never liquidated. Through this continual increase, we are able to pit management against labor so they will never unite and attack us and usher in a debt free industrial utopia.

"We are the unnecessary element since we expend nothing. Management can create its own capital and keep the cream - the profits. Its business would grow and profits increase. Labor would prosper as well, while the price of the product would remain constant, the prosperity of industry - labor and management - would continually increase. We Jews glory in the fact that the stupid goy have never realized that we are the parasites consuming an increasing portion of production while the producers are continually receiving less and less."

As the hours rolled on in this intense, but cordial, interview, the Jew, Mr. X, exposed his thoughts concerning religion.

*"Religion, too, must be taught, and through this necessity we have labored. With our control of the text book industry and the news media, we have been able to hold ourselves up as the authorities on religion. Many of our rabbis now hold professorships in supposed Christian theological seminaries. We are amazed by the Christians' stupidity in receiving our teachings, and propagating them as their own. Judaism is not only the teaching of the synagogue, but also it is the doctrine of every Christian Church in America. Through our propaganda the Church has become our most avid supporter. This has even given us a special place in society, their believing **the lie that we are the chosen people** and they, gentiles.*

"These deluded children of the Church defend us to the point of destroying their own culture. This truth is evident even to the dullard when one views history and sees that all wars have been white fighting white in order that we maintain our control. We controlled England during the Revolutionary War, the North during the Civil War, and both England and America during World War I and II. Through our influence of religion we were able to involve the ignorant white Christians in wars against themselves which always impoverished both sides while we reaped a financial and political harvest.

"Anytime truth comes forth which exposes us, we simply rally our forces - the ignorant Christians. They attack the crusaders even if they are members of their own families. Through religion we have gained complete control of society, government and economics. No law is ever passed except its merits have previously been taught from the pulpits. An example of this is race equality which led to integration and ultimately to mongrelization. The gullible clergy in one breath instruct their parishioners that we are a special, chosen people while in another breath proclaim all races are the same. Their inconsistency is never discovered. So we Jews enjoy a special place in society while all other races are reduced to common equality. It is for this reason that we authored the equality hoax, thereby reducing all to a lower level.

"We have been taught that our current economic practices are benevolent, therefore Christian. These pulpit parrots extol our goodness for loaning them the money to build their temples, never realizing that their own holy book condemns all usury. They are eager to pay our exorbitant interest rates. They have led society into our control through the same practice.

"Politically, they hail the blessings of democracy and never understand that through democracy we have gained control of their nation. Their book again teaches a benevolent despotic form of government in accordance with the laws of that book, while a democracy is mob rule which we control through their Churches, our news media, and economic institutions.

"Their religion is only another channel through which we can direct the power of our propaganda. These religious puppets' stupidity is only exceeded by their cowardice, for they are ruled easily."

Rarely does any man confess the intimacy of his soul as did Mr. X. Hindsight suggests that there was a greater force compelling this man to reveal what has been written here. The remainder of the interview seems to confirm this.

"Since we do not believe in a life after death, all our efforts are directed to the NOW. We are not as foolish as you and will never adopt an ideology that is rooted in self-sacrifice. Whereas you will live and die for the benefit of the community, we will live only for our own individual self. The idea of self-sacrifice is abhorred by us Jews. No cause is worth dying for since death is the end. The only time we unite is to preserve our individual selves. As a group of wolves unite to attack a prey, but then disperse after each is filled, so we Jews unite when peril is pending, not to preserve our community, but only to save our own skin.

*"This attitude permeates our entire being and philosophy. We are not the creators for to create would only benefit another. We are the **acquirers** and are interested only in satisfying the **self**. To understand our philosophy would be to understand the term **to get**. We never give, but only take. We never labor, but enjoy the fruits of others' labor. We do not create, but confiscate. We are not the producers, but the parasites. We can physically live within any society, but always remain spiritually apart.*

"To work would be to produce, and the highest form of that labor would be to create. Your race has always worked for the satisfaction of what it produces. We would never work for anyone else's benefit, only for what we can get. We have used this white western attitude to achieve our greatest prosperity. You will work for the pride you derive out of producing, while never being concerned that much about the pay. We take your productivity for a paltry fee and turn it into fortunes.

"Until recently, the pride of workmanship exceeded the quest for high incomes. However, we have been able to enslave society to our own power which is MONEY, by causing them to seek after it. We have converted the people to our philosophy of getting and acquiring so that they will never be satisfied. A dissatisfied people are the pawns in our game of world conquest. Thus, they are always seeking and never able to find satisfaction. The very moment they seek happiness outside themselves with possessions, they become our willing servants.

"Your people never realize that we offer them only worthless baubles that cannot bring fulfillment. They procure one and consume it and are not filled. We present another. We have provided an infinite number of outward distractions, to the extent that life cannot again turn inward to find its definite fulfillment. You have become addicted to our medicine through which we have become your absolute masters.

"On the first and fundamental lie, the purpose of which is to make people believe that we are not a race but a religion, other lies are subsequently based. Our greatest fear is that this falsehood will be discovered, for we will be stamped out the moment the general public comes into possession of the truth and acts upon it. It is becoming apparent that an awakening is occurring even here in America. We had hoped that through our devastation of Christian Germany that any subject dealing with us would be a fearful taboo. However, there seems to be a resurgence here in the one nation that we so strongly control. We know that when the light begins to dawn, there will be no stopping it. All efforts on our part will only intensify that light and draw focus upon it.

"We fear that light is coming forth in few movements across this land, especially yours. It has amazed us how you have been successful in reaching the people after we closed every door of communication. This, we fear, is a sign of a coming program that will take place in America. The American public has not yet realized that we are in control, and to allow this to happen would be a fatal mistake on our part. This nation will never be the land of the free as long as it is the land of the Jew. This is the revelation that will be our undoing.

"The American people have been easily ruled through our propaganda that the pen is mightier than the sword. We virtually get away with murder and all the goy do is to talk about it, which is ineffective since we, the masters of propaganda, always publish a contradicting account. If white people would review their true history, and apply those lessons of the past, then the pen will be thrown down in disgust and the sword wielded in the heat of passion.

"Thus far, we have escaped the sword, when the only reprisal is some periodical of no repute, or some pamphlet with limited circulation. Their pen is no match for ours, but our constant fear is that they may open their eyes and learn that no change was ever brought about with a pen. History has been written in blood, not with ink. No letter, editorial or book has ever rallied the people or stopped tyranny. We understand this principle and are continually propagandizing the people to write letters to the President, to Congress and to their local media. We are safe to continually exploit, intimidate and disenfranchise the white American as long as they are preoccupied with the illusion of educating the masses through printed material. Woe be unto us if they ever see the futility of it, lay down the pen, and employ the sword.

"History confirms the fact that the passions of an aroused minority, no matter how small a group, have exerted enough power to topple the greatest empire. The movements that control destiny are not those that rest on the inactive weak majority, but on the sheer force of WILL of a resolute minority. WILL is Power, not numbers, for a strong WILL always rule the masses.

"Again, we are safe as long as our will is stronger, or the will of the people is misdirected, scattered and without leadership. We will never be deposed with words, only by force of WILL."

The Jews know very well what their enemy is. It is the power of the WILL, that Divine SPIRIT, living in the recesses of the white race. It is that SPIRIT which will bring life to the misdirected, intimidated, fearful, destitute, and silent white majority when it is enflamed by the white chosen few who STAND and DELIVER. No matter what the odds, the chosen ones' witness will bring the VICTORY.
