

AMERICA DOES NOT NEED A RESTORED CONSTITUTION

(Watch the [Video](#) - Listen to the [Audio](#))

In 1976 YAHWAH God led me to establish the N.E.W.S. Party. From June of 1976 until the end of December of 1979 I published "The Battle Ax" which was the official organ of N.E.W.S. and had subscribers all over the world. At that time YAHWAH told me to end it all and from 1980 until 2010 I did nothing in the public forum, but after 30 years He told me to build a website and TruthFromGod.com went active in 2011. Many of the old messages published in "The Battle Ax" appear on this website and the following is one of them. What was said then should be more apparent now and for this reason the following is presented. "AMERICA DOES NOT NEED A RESTORED CONSTITUTION" - published in "The Battle Ax" - Issue 112, May, 1977.

At the end of the 18th Century our forefathers adopted a National Constitution that was to be a guideline for our government. Certain rights of "the people" were enumerated as well as certain duties of the government.

Today that same Constitution has been destroyed through perverted interpretations by aliens who now sit on the Supreme Court. A few examples of this annulment through redefinition are as follows:

1) Our forefathers did not believe that all 2 legged creatures were EQUAL. Representation to the federal government was NOT based on "1 man, 1 vote", but was figured only on the number of FREEMEN, thus discarding the numbers of Indians, slaves and 3/5 of all others.

2) Our forefathers insisted upon "FREEDOM OF RELIGION" which was "freedom to worship Jesus Christ" and did NOT include other religions, occultism, demon and Satan worship. (This is covered in the message "[SECRET OF THE AMERICAN STORY](#)".) It is a matter of record that witches were killed, and members of varied cults were driven from American communities.

3) Our forefathers were so divinely inspired that congress was opened with prayer, the president and federal judges were sworn in by placing their hand upon the Holy Bible. Now these things have been outlawed from the public schools. The federal government usurping more power now dictates the curriculum that is to be used in all local school. The first step was evicting the Bible, and the next step was the complete control of all books used in the school.

4) Our forefathers stated there was to be "FREEDOM OF SPEECH AND PRESS". Today there is neither. I am presently in a Federal Prison, because I dared to write and speak out against the tyranny of government. The alien Jews control the entire news media, and present only a perverted picture of actual events. In the name of freedom they libel and slander all who speak the truth. They so muddy the water that Americans never see the real issues.

5) Our forefathers believed that a man had a right to privacy and the 4th Amendment was to guarantee freedom from the government seizing a man, his papers, or property without due process of law. Today the I.R.S. makes everyone "bring in" their papers so they can be searched, and the victims or their property seized and all this is without due process of law. Every person waives his 4th and 5th Amendment rights when he fills out and signs a 1040 tax return (confession sheet) as stated in numerous Federal Court cases. (The current laws can only be obeyed by WAIVING Constitutional Rights, and who gives this a second thought or even cares?)

6) Our forefathers believed that every man should have free access to the courts, and be allowed to present his side. Today the courts "railroad" the people that appear before them. In my own case I was denied "the assistance of counsel", I was not allowed to have any witnesses, the jury was packed with government employees, and there were no witnesses that ever testified that I had ever done anything wrong. All this was done in direct violation of the 5th and 6th Amendments, and if this was not blatant enough the Federal trial Judge said "The Constitution has NO place in my courtroom".

7) Our forefathers stated that no man was to be subjected to cruel or unusual punishment, and that “excessive bail” could not be required. From my own experiences I can testify that this too is surreptitiously violated. I was charged with a misdemeanor offense, and the government demanded a \$100,000 bond. Men are released on less bond who are facing capital murder charges. The government's whole intent was to shut me up by locking me away in jail.

The violations of the Constitution are gross and daily. In reality the United States Constitution no longer exists. There are some in our nation who seek to restore it, but their efforts will be ineffective and in vain. Our forefathers knew that what they drew up in the 18th Century might not be adequate in the 20th or 21st Century so they outlined the process for amending it.

Their goal was to begin a government that would be a blessing to THEIR “posterity”. They knew that they were taking the first steps and laying the foundation stones. We must realize that the work began by them must be continued by us. We must go forth to the second, third, and fourth steps. We must climb higher than any people have ever dared to go.

The 20th Century has seen the rise of great problems that must be resolved. The whole governmental complex is collapsing under its own dead weight. The bureaucracy is a Frankenstein monster that is destroying its benefactor, “we the people”.

What will deliver our Nation?

There is no hope for the future in the restoration of our 18th Century Constitution; this would only be a step backward. We must go forward! Our need today is not more edicts flowing from the alien concept of the “letter of the law”, but we must have the living spirit of God to fill men who will bring forth a law of JUSTICE.

The need in America is for men of SPIRIT to arise and fight against the oppression of this alien controlled government that is contrary to all that our forefathers intended. Our nation was born because men went forth on their sublime mission to battle for “THE RIGHT”. May the spirit that enflamed them be kindled in the hearts of our people today. We do not attempt to restore anything, but we will push boldly forward and upward into the 21st Century. The N.E.W.S. movement is not retrogression, but progression. We demand more for our people in the future. Peace and prosperity are to become a reality in the new America during the new age. The answer to all our present problems lies in the hearts of men being stirred up by God Almighty to act. A constitution is only a piece of paper that has no power of itself. Corrupt men are perverting it, and no amount of restoration will correct this situation. Papers do not change people, but people DO change papers.

It is not the time to restore the Constitution, but it is the time to rekindle the fire that burned in the hearts of FREE men 200 years ago. It is the time to refuse to bow the knee to tyrannical traitors who corrupt, pervert, and destroy. It is the time to arise and throw off their chains of slavish bondage. It is the time to fight for a New Nation in a new age ushered in by new men filled with a new spirit. This is our need!!!! We do not fight to restore a scrap of paper, but to arouse the dignity, pride, character, and heroic spirit that has led our white race throughout history and only this revival will bring VICTORY!!! What was said then should be more apparent now.
