

## FROM HEAVEN INTO EARTH

(Watch the [Video](#) - Listen to the [Audio](#))

The following is an excerpt from a sermon preached by Dr. Wesley A. Swift who died in 1970. There are some who currently attack me for saying that YAHWAH took His children ELOHEEM out of Himself in heaven and sent them into the earth and also claim to be followers of Dr. Swift. But these are ravenous wolves in sheep's clothing attempting to destroy all teachings of the very fundamental principles of the oracles of God. As shown in the following message Dr. Swift not only believed in PREEXISTENCE and PREDESTINATION, but preached it, and all who claim to follow his teachings and attack these great truths are devil liars indeed (John 8:44).

If our Father intended to leave the world in the hands of the devil, He'd never bothered to **send us here** anyhow. He didn't **send us here** to submit. **He sent us** here to conquer, and everything I discovered inside of this book (the Bible) is telling us how to be victorious over the powers of darkness, how to be triumphant, how to lift our faith in the name of our God (YAHWAH), how to do the work that God has called us to do for the day, hour, and dispensation which we live. And He's lead us overcome all of the powers of darkness, all the works of the devil, and more than that we're going to build His kingdom that will never be destroyed and we're going to rule it with divine law and righteousness from one end of the earth to the other and that everyone with a bowed knee will acknowledge our Father.

I want you to know that the most important thing you can understand this afternoon is how to translate spiritual thinking, knowledge, wisdom, and understanding, into occupation in the earth. **We have been placed in the earth** and here we are spirit, soul, and body, spirit of His spirit. **Born and free in spiritual realms** embodied in the physical world in a soul of consciousness that can draw out of both dimensions. It is this that is significant to you.

We spoke to you about the fact that the sword of the Spirit was the great weapon which was in your possession. It was the knowledge and wisdom from the mind of the most high God. We tell you that ye shall know truth and truth makes you free. So the power that makes you free is knowledge, wisdom that proceeds from out of the most high God. It is the fact that God's Spirit not only exists in you but you're body of His temple of His holy spirit. The concept tonight He is as plunged into your society have moved out of the mind of God that inspired you to think like He does in the spirit. It was because of this that the apostle Paul said that we don't have the spirit which is of the world we have the spirit which is of God and this spirit searches out all the secret things of God and freely makes them known unto us. Yours is the science and the skills and the **inheritance of the patterns of heaven**. And now evidence you've seen with ideas that formed vast pictures of things you want to do. You translated the technology to reality to architecture to building and **you do it all right here in the earth**, right here in the world.

And I point out to you that the **mighty purposes of God in the earth are not geared in any way to the whims of people** but to the sovereign declaration of the most high God. The difference between the children of the kingdom and the enemy is that you are a happy warrior because deep down inside of you, you do not live with fear. You not only know that you are free but if you know enough of the things which God has unveiled you're aware that **He still has a master plan and a blueprint**. There's something unique about this book (the Bible). This is a blueprint on the part of God about how He intends to take over with a new order of the ages. It contains within it the secrets of wisdom and of power of communication. It contains within it the operations for the expansion and growth. It contains also blueprints for sudden interventions and a whole plan for taking over the earth. You know the funny thing is that our enemies are scoffing at this. They recognize that in this book (the Bible) is God's plan for taking over the earth and they're trying to scoff at it. There isn't anything wrong

with having a plan being irrespective of what you intend to do, but let me tell you when **God has a plan this is the way it's going to go.**

The most important thing you could know this afternoon is that you are a son or a daughter of the most high God. **You were born free in the spirit and God placed you down here in the earth** and you went under bondage by taking the wrong, by taking the error, by listening to the lie. There isn't any question in my mind about a victory. I just want you to know the truth that you're set free and God with His spiritual revelations of His word with His vast background contacts with the patriarchs and with the prophets moved upon men with the knowledge of truth that set them free. He built up the orders of their responsibility. He gave them His law. He told them how it would benefit them. He promised to bless and supply and guide thee.

The difference between being a Christian and guided by the truths of the Scripture is that you know what God has on His mind and then you commune within the areas of vision and inspiration. There's a distinction between being a success or failure no matter what you do. The success and failure procedures in life is in synchronizing your consciousness with His tremendous flow of divine guidance, wisdom, knowledge, and understanding. Those **thoughts** that start to pour into your mind that start to shape up, **come out of the heavens above.** It flows with spiritual power to every deep portion of your being. It charges every entity of your being. It's life. It's vitality. **You are the children of spirit, begotten in spirit from celestial planes.**

This book (the Bible) talks to you about the eternal God who acknowledges us as His sons and His daughters that **we are His progeny we're His household in the world.** He has not **predestinated** our destiny based on the areas of our past conduct but **on the purposes that He has for us.** The greatest spiritual truth you can understand is a way to live triumphantly in the earth as a son of God and not acknowledge any other source as having power to control your **destiny** because the Scripture says so. "And **all** Israel shall be saved as it is written." Not saved from perdition when we die. But saved from the catastrophes that envelope the earth in which we live.

Now I'm going to tell you what the world doesn't understand. So what they martyr will sit in administration on the throne and still rule with a rod of iron though they come out of the kindreds of the host of Heaven they still shall rule in the earth and this is what the book (the Bible) is all about.

This titled compilation was an excerpt from a sermon by Dr. Wesley A. Swift who died in 1970, and is made only for those who have eyes to see, ears to hear, and a heart that perceives.
