

GERALD L. K. SMITH SPEECH IN 1957

(Watch the [Video](#) – Listen to the [Audio](#))

The transcribed message that you are about to hear represents a desperate and concerted determination on the part of fearless patriots to reach you with true which is being scientifically censored out of our daily papers, out of our radio programs, and out of our television broadcast. This message would constitute a waste of effort and money if it contained truth which you can pick up at any newsstand or hear from day to day in the radio and television broadcasts. Shortly before these words were recorded there was placed in my hand a report, a report from a great citizen of intelligence and character. Time will not permit me to read the full report but I will read enough of it to challenge your attention unless of course you have been completely drugged and rendered insensible by the hypnotism of our controlled propaganda machine.

I'm not giving the name of the important citizen who made this report which I am about to quote because I do not care to bring down upon his head unnecessary persecution. Here is a portion of his written report. "Ten years more and that's about all, fifteen maybe at the outside, by then the Reds will have taken over America. No war, no hydrogen bomb, no mass slaughter, until after the victory has been won." The coup d'état, in course of accomplishment even while you and I are reading these lines, will be engineered to find success by the entrenched and untouchable traders, traders in high places aided and abetted by their strategically placed cohorts in the nerve centers of our nation. I continue to quote from the report. "The men who sold 500 million Chinese into communist slavery will finally betray America. The saboteurs who ordered ignominious defeat in Korea will at last achieve the utter destruction of the nation that has too long stood between Russia's Communist leaders and a bloody communist world." It will be the fulfillment of the prophecy made by Nikolai Lenin in 1923 when he said "First we will take Eastern Europe, then the masses of Asia, then we will encircle the United States which will be the last bastion of capitalism. We will not have to attack it will fall like over ripe fruit into our hands."

I now resume the quotation from the confidential report. "Who are these traders? In what key spots are they located right now? Apparently we are not to know until it is too late. It is worse than useless. It is military or political suicide for any individual to attempt to track them down for the end is ever the same, character assassination, disgrace, or even death." That ends the quotation from the confidential report. A sincere Christian patriot must do one of two things with this statement. First, he can dismiss it as untrue, but I tell you that in my files and in the files of the Christian Nationalist Crusade of which I am the national director, we have the evidence. Evidence to support the apprehensions contained in this quoted report. Therefore, no patriot who has heard this warning can claim to be sincere until he has gone to the bottom of this question. The second treatment that can be given to this warning is to believe it and to act on it. The Christian Nationalist Crusade which is a national committee functions on the following premises. First, that this is a constitutional republic which has grown out of the teachings and ideals of Christian civilization. Second, that the enemies of Christ and our way of life have organized a worldwide conspiracy and a worldwide plot to destroy this constitutional republic and all Christian civilization. Third, it is our duty as patriots to enlighten ourselves and band ourselves together in a devoted and consecrated effort to save America from this conspiracy. Fourth, in doing this we must be enlightened concerning the true tradition of Americanism. We must become informed as to the techniques being employed to destroy us and we must familiarize ourselves with the names of the organizations and the personalities engaged in this Satanic, destructive, and diabolical effort. Fifth, based on this information we must act with intelligence, strength, courage, and Christian faith.

I am sorry to tell you something, it grieves me to tell you that expensive organizations have been formed, newspapers have been subdued, propaganda agencies have been captured which are now in the daily 24 hour business of undermining every one of the great features of our constitutional republic. Behind this conspiracy to destroy our Republic is the same evil Christ hating political machine which brought about the

Russian Revolution which lowered the Iron Curtain over the eastern half of Europe and which has enveloped 500 million additional human beings in Asia with a savage tyranny of death, torture, and enslavement.

In the light of the natural decency of the American people, the world conspirators know that cruel methods cannot be employed affectively in the United States. Therefore, the old simile applies “we are been destroyed by wolves in sheep’s clothing”. They ever crept into our schools. They are in our colleges. They are in our pulpits. They have taken over cultural organizations, political parties, newspapers, broadcasting facilities, television stations. Many people who are doing the work of destruction are not communists, in fact they think they are opposed to communism. They are serving as the innocent tools of the most ruthless conspiracy of destruction ever plotted against a civilized people. The study of this conspiracy is as complex as the study of geology or cancer. America has spent millions and billions in the study of constructive sciences involving medicine, public health, highways, mineralogy, transportation, finance. But there are only a few of us who have given our whole lives to the study of the conspiracy against our Christian American way of life. Since so few people are scientifically and thoroughly informed, it makes it difficult for us to get our message over. Powerful manipulators operating from behind-the-scenes in their ruthless determination to keep this truth from the people have vowed that anyone of influence and character who dares lift the voice to warn the people shall be struck down with smear, ridicule, persecution, character assassination, imprisoned, or even death.

I will list a few great citizens who have warned the people and have been struck down or impaired by the ruthless weapons of abuse. They include Charles A. Lindbergh, Reverend Charles Coughlin, Congressman Martin Dies, Congressman John E. Rankin, Congressman Parnell Thomas, Senator Jack B. Tenney, Senator Joseph McCarthy, General Douglas MacArthur, the late Senator Pat McCarron, and of course no man in America has been ridiculed and smeared more than the one to whom you are now listening. Here are some unmistakable symptoms of treason which have not been satisfactorily explained to the American people. I defy any person posing as an intelligent American citizen to ignore what I am about to tell you. Five generals and admirals testified before the Internal Security Committee of the United States Senate that they were ordered to take steps leading to defeat in Korea contrary to their best judgment, contrary to their personal desire, contrary to even military and naval intelligence at hand. Sen. McCarthy was struck down and the files ordered closed just as he was about to obtain information concerning the mysterious orders that went out from Washington to these 5 generals and admirals.

Among those who testified to the effect that they were virtually ordered to lose a war for America in favor of communism were the following. Gen. Douglas MacArthur so testified, Gen. James Van Fleet so testified, Adm. John Turner Joy so testified, Gen. Mark Clark so testified, and Gen. George Stratemeyer so testified. During my most recent visit to Washington DC I was told by a person of the un-impeachable character and unquestioned wisdom that the Congress of the United States has been so terrorized because what has been done to Sen. McCarthy that they are now afraid for their lives, their reputations, and their political future if they were to take any further steps to uncover the treasonable orders that when out of Washington DC to these Generals and Admirals who know how to win a war and were not permitted so to do. Reference to our defeat in Korea is not intended to create the impression of thoroughness in the exposition of this subject, I give it merely to illustrate how deadly and powerful the conspiracy is. It stands to reason if hidden hand forces in and near our government in Washington are powerful enough to force Generals and Admirals to act against their best judgments in the prosecution of the war then the time has come for the American people to know who these unseen hidden hands, powerful personalities are. Sen. McCarthy and Sen. Jenner got closer, to use the figure, they got closer to pay dirt and closer to the real information than anyone thus far. But what happened to them? Bureaucrats in Washington with authority to act have threatened government employees with prison if they dared to turn any of this material over to Sen. McCarthy, Sen. Jenner, or anyone in a position of similar authority and interest.

The time has come for me to raise this question. Who is behind this hidden hand, Communist, Christ hating, world revolution and conspiracy? What individual, what organizations are feeding this plot with money, with ideas, with the leadership? You are about to hear truth which could cost me my liberty, yes, it could cost me my life. But I must speak it and here it is. When the Christ hating savages of communist leadership had burned the churches, slaughtered the police, and overthrown the government of Russia, 300 commissars came to power. Of these 300 commissars whose hands were dripping with blood, I must tell you this, of these 300 commissars whose hands were dripping with blood, 290 were Jews. Three years following the October Revolution which outlawed the church, crucified the Christians, America's most influential Jewish periodical known as "The American Hebrew" published in New York City said on its editorial page I quote, remember I am quoting from the most influential Jewish periodical in the United States, here it is. "The Bolsheviks' revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning whose goal is to create a new order in the world. What was performed in so excellent a way in Russia thanks to Jewish brains and because of Jewish dissatisfaction and by Jewish planning shall also through the same Jewish mental and physical forces become a reality all over the world." Taken from America's most influential Jewish Journal "The American Hebrew".

Some years later the most powerful Jew in America was interviewed. His name was Rabbi Stephen Wise who was frequently referred to as "The King Of The Jews". When questioned concerning communism Rabbi Wise said "Some refer to it as communism, but to me it is Judaism." End of quotation by Rabbi Wise. These 2 quotations cannot be denied successfully and who can pose as a student of world revolution, and who can warn the American people concerning the threat against our nation without taking these quotations very, very seriously. In other words what is the organized official Jew attempting to do own a worldwide basis? I can only judge these Jewish organizations by the conduct of their auxiliaries which are functioning in the United States of America and the nations of the world. And concerning these functions I must tell you this we have reliable information. Col. John Beaty was one of the top men in the department of military intelligence during World War II. Following the war he retired as a military officer and took up his duties as a university professor. In fact he was a university professor before he went into the government service as a military intelligence expert. He is now the head of the English department of Southern Methodist University in Dallas Texas. This is indeed one of the important universities of the world. During the war years Col. Beaty was able to observe subversive activities scientifically and thoroughly. His conscience would not permit him to rest until he had summarized his discoveries in a book entitled "The Iron Curtain Over America". Col. Beaty did the most courageous writing job ever to be done by a modern man of letters. He produced a thorough, handsome self-documented, cloth bound book which establishes beyond any doubt that Jewish leaders who have migrated to the United States from Europe and Asia seized control of many of our political, cultural, labor and religious organizations, and unless their plot is hindered and checked and overcome, they will fulfill the warning which I quoted in the beginning of the address, they will lower an iron curtain over America.

Gen. George Stratemeyer, referred to earlier in this address, who was in full charge of the Air Force during the Korean War and who was a close friend of Gen. Douglas MacArthur, came into possession of Col. Beaty's great book and after reading it he wrote Col. Beaty as follows. I am not quoting the full letter but I am quoting 2 or 3 very important paragraphs. I quote Gen. George Stratemeyer. "Recently I was called before the United States Senate Internal Security Committee which came to Orlando Florida to hear my testimony. During the hearing I asked many questions to which I did not know the answers. The gentleman who read most of the transcript in the September 3rd issue of "The United States News And World Report" sent me a copy of your great book "The Iron Curtain Over America" which he said would answer my questions. I want to tell you Col. Beaty that your book did answer my questions. Of course I have spent all my life in the service and it is hard to believe that we had and have such traitors in our country and who still go scot free." End of quotation taken from the letter written by Gen. George Stratemeyer to Col. John Beaty. What is the deadly truth which Gen.

Stratemeyer found in Col. Beaty's book, and why are these powerful Jewish organizations so determined that this truth shall not reach our people? I have no desire to be melodramatic but I owe it to the listener to give him some samples of the desperation in the minds of those who are determined that this truth shall not reach you and others.

Less than 10 days before this address was prepared, I received a letter through the mail which is only a sample of many I have received. It reads in part as follows, I quote from this anonymous letter. "Gerald Smith you have less than 30 days to live. We will wash the United States with your blood. We will get you when you least expect it." True enough, it is a logical to conclude that it was written by a crackpot, a neurotic. But how much worse is the statement that I have just quoted than the one I am about to quote which was taken from the Jewish Sentinel in Chicago which indeed is the largest English language Jewish newspaper in America. The statement I am about to quote was written on the editorial page by the editor of the Jewish Sentinel a few days after Mrs. Smith and members of my staff and myself barely escaped mob murder by a Chicago gang after I had addressed a packed auditorium of patriots in the West End Woman's Club of Chicago. Here is what Mr. Fishbein editor of the Jewish Sentinel of Chicago said, "We intend to make it impossible for Gerald L. K. Smith or any of his ilk to meet in public places anywhere in Chicago. Let them spew their filth in sewers, in dungeons, in underground basements, not where decent people gather." End of quotation from the Chicago Jewish Sentinel.

The largest Jewish newspaper west of Chicago is known as the California Jewish Voice which is edited by one Samuel Gach. It carries a feature column once a week out of Washington DC. Among other things this column recently contained the following words, I quote from the California Jewish Voice. "Although the Jewish Defense agencies have spent years and millions of dollars to destroy Gerald L. K. Smith, he and his henchmen now emerge stronger than ever. Smith has never been in a more powerful position as he rides on the crest of his anti-Communist crusade." End of quotation from the California Jewish voice.

Dear friends, what strange repeal of American tradition permits any group of individuals, regardless of their political viewpoints, to boast that they are planning the destruction of an American citizen and raising money so to do. Sometime back I was shocked when handed the Sunday morning edition of the St. Louis Globe Democrat, the largest daily newspaper in the state of Missouri. As most listeners know that paper is the only morning daily paper in St. Louis. It carried a story which in part read as follows, believe it or not. The beginning of the story revealed that a meeting had been hailed in St. Louis and then the story continues, "A New Year's resolution was passed by the group at the meeting to wish and pray for the death of Gerald L. K. Smith. One member of the group said that gangsters should be paid to bump him off. The same individual asked the group to donate funds to pay for Smith's death performed in any manner."

These dramatic citations have been made not for the purpose of imposing my personality upon you, the respectful listener, but to give you, through my personal experience, some understanding as to why it has been so difficult for some of us to get truth to you and other sincere Americans. Your first thought is to say, "But why haven't we been told these things?" The reason is simple. You have depended upon the newspapers, the radio, the television. These are controlled in largely influenced by a Jewish ownership and Jewish advertising. We must admit this reality. Certain Jewish organizations of great power confessed in their annual report 3 years ago that they had raised over \$6 million with which to oppose and find such people as Gerald L. K. Smith and others. That's why the American people are puzzled. They hear much about the what of communism and the nature of communism and the program of communism, but most of our public figures are afraid, yes, they are actually afraid to tell the people about the who of communism. Well has the Scripture said quote, "by their fruits ye shall know them" end quote. It is only natural that the innocent American should say "Mr. Smith do you believe that all Jews are procommunist?" As I said earlier in this address we must judge the manipulations and programs and the desires of the Jews by what their national and international organizations stand for

officially. In dealing with this I shall personify my logic by giving you the names of important patriots who have been opposed and fought and smeared by important Jewish organizations. Yes, not only important Jewish organizations, but all important Jewish organizations.

Here are a few of the outstanding patriots they have sought to destroy. Charles A. Lindberg, Gen. Douglas MacArthur, Henry Ford, Sr., Congressman Martin Dies, Congressman John Rankin, Col. Robert McCormick, Rev. Charles Coughlin, the late Sen. Pat McCarran, Sen. Joseph McCarthy, Sen. William Jenner, Sen. John Bricker, Sen. Jack B. Tenney, and many others of similar patriotic stature. We dare not overlook the fact that every important Jewish organization in the world has fought the McCarran-Walter Immigration Act which was intended and is still intended to save and protect our country against invasion by undesirable aliens. Every important Jewish organization has fought the Bricker Amendment designed to protect our national sovereignty. Every important Jewish organization has fought every attempt to pass laws requiring loyalty oaths on the part of public officials and people who are being paid out of taxpayers' money. Every important Jewish organization has fought any attempt to expose the dangers of Russian world policy and they have favored the appeasement policy which lost the Korean War and promoted the Geneva conference which allowed 500 million Orientals to beat lowered behind the bamboo curtain of communist tyranny.

Speaking of the policy of coexistence introduced at Geneva in 1955 at which time our President and his compatriots fraternized with butchers and savages, and speaking of that policy of coexistence I quote for you a statement that was made 24 years ago by Dmitry Z. Manuilsky speaking at the Lennon school of political warfare in Moscow. He said, and I quote Manuilsky, "War to the hilt between communism and capitalism is inevitable. Today of course we are not strong enough to attack. Our time will come in 20 or 30 years. To win we will need the element of surprise. The bourgeoisie will have to be put to sleep so we shall begin by launching the most spectacular peace movement on record. There will be electrifying overtures and unheard of concessions. The capitalistic countries stupid and decadent will rejoice to cooperate in their own destruction. They will leap at another chance to be friends, and as soon as their guard is down we shall smash them with our clenched fist." It is well for us to remember that this is the same Manuilsky who presided over the United Nations Security Council as late as 1949 in New York City.

Any logical listener knows that I have not had time in this address to complete thoughts and to cite authorities. The purpose of this transcription is to get over to people warnings that otherwise they may never hear. On the assumption that after your attention has been erected after these brief statements, you'll consider it a patriotic duty as a Christian American to increase your enlightenment concerning these matters. We want you to know that the Christian Nationalist Crusade is not a movement born of a negative spirit. It is a nationwide movement dedicated to the high principles that politics plus faith equals patriotism, and patriotism plus Christ equals statesmanship. Fifteen years ago a little handful of patriots gathered and approved 10 high principles. These are the 10 high principles on which this movement is founded and they are as follows. One, preserve America as a Christian nation being conscious of the fact that there is a highly organized campaign to substitute Jewish tradition for Christian tradition. Two, expose, fight, and outlaw communism. Three, safeguard American liberty against the menace of bureaucratic fascism. Four, maintain a government set up by the majority which abuses no minority and is abused by no minority. Fight mongrelization and all attempts being made to force the intermixture and intermarriage of the black and white races. Five, protect and earmark our own national resources for our own citizens. Six, maintain the George Washington foreign policy of friendship with all nations, trade with all nations, entangling alliances with none. Seven, oppose a world government and a super state. Eight, prove that the worker, the farmer, the businessman, the veteran, the unemployed, the aged, and the infirm can enjoy more abundance under the true traditional American system than under any aliens system that may be proposed by foreign propaganda. Nine, stop immigration in order that a American jobs and American

houses may be safeguarded for American citizens. Ten, enforce the Constitution as it pertains to our monetary system.

I realize fully that in this brief address there can be no complete thoroughness. What has been said has been so said that it might awaken the listener to a deeper concern and a sharper alertness.
