

## RACIAL DIFFERENTIATION

(Watch the [Video](#) - Listen to the [Audio](#))

In 1976 YAHWAH God led me to establish the N.E.W.S. Party. From June of 1976 until the end of December of 1979 I published "The Battle Ax" which was the official organ of N.E.W.S. and had subscribers all over the world. At that time YAHWAH told me to end it all and from 1980 until 2010 I did nothing in the public forum, but after 30 years He told me to build a website and TruthFromGod.com went active in 2011. Many of the old messages published in "The Battle Ax" appear on this website and the following is one of them. What was said then should be more apparent now and for this reason the following is presented. "RACIAL DIFFERENTIATION" - published in "The Battle Ax" - Issue 114, July, 1977.

The present socio-economic mania that now permeates the entire atmosphere of Western Culture is built upon the grossest lie. One brief look into nature reveals the absurdity of Racial Equality. No equality exists in nature. Every snow flake and raindrop is different. Even people are different down to the tips their fingers.

The knowledge that must guide our world into the 21st Century cannot be built upon such a perverted ideology as racial equality. It is time to look at the hard facts in the cold light of reality. America will continue to disintegrate as long as she blindly refuses to look at the naked truth. Racial differentiation is the truth that we must face and understand in order to establish the solid foundation that can support the full weight of the future. No rational person can deny the fact that each race is different and has its own unique physique, color, skeleton structure, skin texture, physiognomy, odor, desire, mentality, and ability. The Bible says that "*God giveth it (each race) a body as it hath pleased Him, and to every SEED his own body. All flesh is not the same flesh.*" 1 Corinthians 15:38-39. The sooner this nation quits trying to make black, white and white, black, the sooner we can realistically solve its socio-economic problems.

Since the Civil War, America has been running after the EQUALITY HOAX. Like all fantasies, they're short lived, and the dreamers must always return to reality. We in the N.E.W.S. party do not mouth sophisticated sounding sophisms. We confront all issues with a wide awake look at the iron laws of nature. In the real natural world everything has its individuality, and a place into which that individuality fits. There is always a pecking order, even in the hen house. In the business world every corporation is made up of many different people who perform many different functions. Imagine the chaos that would result if the janitor, salesman, production manager, accountant, and secretary demanded full equality with the chairman of the board of directors. No corporation, organization, or nation can exist if all the Indians are Chiefs.

The human body is a beautiful analogy to our socio-economic national body. The Bible gives this illustration in 1 Corinthians 12:14-18. "*For the body is not one member, but many. If the foot shall say, because I am not the hand, I am not of the body; is it therefore not of the body? And if the ear shall say, because I am not the eye, I am not of the body; is it therefore not of the body? If the whole body were an eye, where were the hearing? if the whole body were hearing, where were the smelling? But now hath God set the members every one of them in the body as it hath please Him. And if they were all one member, where is the body?*" God ordained each of these differences and forever commands that they be recognized. This is the only way that society can truly be ordered. Only a fool would still consent to the lie that all two legged creatures are equal, or even that all races are equal. Racial differences exist, admit it!

America has followed the "equality" pied piper to the very brink of destruction. White Western man grow up and be a man! "*When I was a child I spake as a child, I understood as a child, I thought as a child; but when I became a man, I put away childish things.*" (1 Corinthians 13:11) How long will these people speak, understand, and think like children? The day is at hand for men to think, understand, and speak. It is time for men to awake to the true reality of life, and lead our nation out of its decades of darkness. The pains now felt throughout our land are not death pains, but are the growing pains of children becoming men.

With manhood comes the burden of responsibility; a responsibility to honor and obey truth, the truth of Racial Differentiation. Segregation was for the beginning of the 20th Century, but it fell to the false fantasy of integration. The beginning of the 21st Century will see clearly the truth of racial differentiation, and this will be a giant step for White Western Man's climb to his glorious Destiny. The way before us is steep and many obstructions will have to be overcome, but it is the only true way that can bring Victory. Bigots will arise who will fight against facts, but they will be nothing in the face of the fearless force that marches forward to strike the fatal blow on the foolish fable of Racial Equality. What was said then should be more apparent now.
