

## WHAT ABOUT VIOLENCE?

(Watch the [Video](#) - Listen to the [Audio](#))

In 1976 YAHWAH God led me to establish the N.E.W.S. Party. From June of 1976 until the end of December of 1979 I published "The Battle Ax" which was the official organ of N.E.W.S. and had subscribers all over the world. At that time YAHWAH told me to end it all and from 1980 to 2010 I did nothing in the public forum, but after 30 years He told me to build a website and TruthFromGod.com went active in 2011. Many of the old messages published in "The Battle Ax" appear on this website and the following is one of them. What was said then should be more apparent now and for this reason the following is presented. "WHAT ABOUT VIOLENCE?" - published in "The Battle Ax" - Issue 109, February, 1977.

There have been many, from Judges on down the line, who have slandered me by calling me an advocate of violence. The White man has been propagandized into a grossly perverted picture of violence. Is violence bad? Can, it be avoided? The computer-conformist who is a programmed parrot will unthinkingly flash back, "YES!" But take a more profound look at these questions.

### **IS VIOLENCE BAD?**

There are two types of violence: (1) The violence of the oppressor, and (2) the violence of the resister. Are both bad, or is one good, and the other bad? In Matthew 11:12, the Bible says, "*the Kingdom of heaven suffereth violence, and the violent take it by force.*" This is an example of the violence of the oppressor. The Bible also speaks of the violence of the resister in Revelation 18:21, "*And thus with violence shall that great city Babylon be thrown down.*"

Jesus Christ advocated violence by going into the Temple and whipping out the corrupted Jew moneychangers, as recorded in John 2:15. He also preached violence in Matthew 10:34, "*I came not to send peace, but a sword.*" In Luke 22:36, "*He that hath no sword, let him sell his garment, and buy one.*" Also in Luke 19:27, "*But those mine enemies bring hither, and slay them before me.*" There are many violent attacks made by Jesus and aimed solely at the Jews. (Contrary to modern Judaized Christianity, Jesus was not a Jew, but was an adamic-white Israelite).

The Jews are a race of murderers as explained in the Bible, and they have made, their living from the sword. Wars are Jew harvests. They prosper while White men bleed and die. The Jews are guilty of all the blood shed upon the earth (Matthew 23:35; Revelation 18:24). And as they have lived by the sword, they shall also die by the sword (Revelation 13:10).

Their control in America, England, Europe, Asia, South America, and Africa is absolute! They will never be talked into relinquishing their death grip upon our throats, but will only increase their power. Nothing will avail until the sword is slashed through their necks. The parasite must be purged from the body before health can be restored. The boil must be lanced, and the puss forced out. As prophesied, it will take much violence to forever free ourselves of this violent slime. Violence in resistance to their evil is holy service to YAHWAH. We will commit a fatal sin if we pacifically sit idle while these violent Jew devils use their force to steal our heritage. "*To him that knoweth to do good, and doeth it not, to him it is Sin*" (James 4:17).

For over 7,000 years we have tried to peacefully co-exist with the Jew, even in direct disobedience to God. We've tried "entente", "détente", pacifism, concession, and compromise, but their bloody attacks only increase. They have killed tens of millions in setting up Communism in Russia, China, Cuba, South America, Europe, Korea, Vietnam, and South Africa while threatening to bury us. We have submitted to their violence for too long. Now is the time to stand and speak "THUS SAYETH YAHWAH GOD".

## **CAN VIOLENCE BE AVOIDED?**

The Jew, in order to carry out his plans of White genocide, has set about to build a “COLORED” army. The Jew has filled America with niggers, wet-backs, chinks, spicks, whops, dagos, mulattos, and “what nots” in all sizes, shapes, shades, and varieties. The Jew then set up the Federal and State social programs so that his colored vermin could breed freely while taxing the White working people so heavily that they cannot afford to have families. These colored people make a good living by breeding and having colored bastards. These colored bastards draw more welfare and produce more colored bastards. As they increase so does all the problems facing America.

The Jew continually bombards this rainbow hoard with the propaganda that they have been oppressed by the White man, and that the White man is to blame for all their problems. Through such perverted lies, the Jew is inciting these savages to rise up in violent attacks against anything White. “KILL WHITIE” is the new battle cry of this violent, bloodthirsty, savage, colored army. No amount of talking will stop them. They learned from childhood that only violence will get Whitie's wealth. They must take, take, and take - the law of the jungle.

No petitions will subdue them, and no written resolutions will deter them. We Whites have been chosen for slaughter, and the coloreds have been chosen to do the slaughtering. All this has been done by those claiming to be the “chosen ones”. Violence cannot be avoided! These bestial creatures do not understand anything but brute force. They will be subdued only through a greater violence than they possess. The time has long since passed the talking stage.

Now we must rise up and stand tall. Their violence must be met by a greater, superior strength of power. Violence has ushered in every great reformation in history. It must be seen as a necessary force through which the old passes away and the new is born; the contraction pains of death and birth.

We in the N.E.W.S. party know and understand the role that violence must play at the end of this age. We, therefore, do not fear it nor think it is bad. We know that it cannot be avoided. We realize that words by themselves avail little, but they must be wielded as a sharp two edged sword. Violence is necessary, and Jeremiah 48:10 says, “*cursed be he that keepeth back his sword from blood.*”

We do not cringe at the thought of violence but will go forth and courageously conquer in the name of YAHWAH. Their force and violence does not cause us to fear, but it inspires us to a fighting faith. Through battle, conflict, and strife the oppressor's violence will be met and overcome by the violence of the resisters. Let us be like our forefathers “*who through faith subdued kingdoms, wrought righteousness, obtained promises, stopped the mouths of lions, quenched the violence of fire, escaped the edge of the sword, out of weakness were made strong, waxed valiant in fight, turned to flight the armies of the aliens*” (Hebrews 11:33-34). What was said then should be more apparent now.
