

WHITE WESTERN MAN

(Watch the [Video](#) - Listen to the [Audio](#))

In 1976 YAHWAH God led me to establish the N.E.W.S. Party. From June of 1976 until the end of December of 1979 I published "The Battle Ax" which was the official organ of N.E.W.S. and had subscribers all over the world. At that time YAHWAH told me to end it all and from 1980 until 2010 I did nothing in the public forum, but after 30 years He told me to build a website and TruthFromGod.com went active in 2011. Many of the old messages published in "The Battle Ax" appear on this website and the following is one of them. What was said then should be more apparent now and for this reason the following is presented. "WHITE WESTERN MAN" - published in "The Battle Ax" - Issue 115, August, 1977.

There is much confusion about the central message of the Bible simply because each book uses symbolic imagery which is explained ONLY in some other book within the Bible. This intertwined formatting must be understood before any attempt can be made to unravel its many mysteries. This key is given in Isaiah 28:10. For this study it is necessary to begin at the beginning, and the beginning of the Bible is the book of Genesis, which states the theme of the Bible in the fifth chapter, verse one. "*This is the book of the generations of Adam.*" Before the full impact of this verse can be realized, it is necessary to clarify the meaning of two key words, "*generation*" and "*Adam*". The English word "Adam" is a transliteration of the Hebrew word "a-dam" which means "ruddy, rosy complexion, able to show blood in the face, to blush." It must be recognized that only the white race has a skin pigmentation light enough that the color of blood can be seen through it, able to blush.

There are two Hebrew words translated "*generations*" in the Bible. One is the word "dare" which means length of time, an age, and the other is "toledaw" which means "family, descendants, race". In this particular verse the Hebrew word used is "toledaw" which means "race". Now take another look at Genesis 5:1. "This is the book of the "toledaw", "race", of "a-dam", "white". The whole Bible is the book about the White adamic race from beginning to end, and its history and prophecies will only make sense when seen in this light. Other races are mentioned in the Bible, but only in regard to their contact with the adamic white race.

The evolutionists have promoted the popular propaganda that Adam was the first man on earth, and that all the other races descended from him. But such statements have no foundation in the Bible. According to the scriptures, Adam was the son of God (Luke 3:38), and he was placed into a garden called Eden (Genesis 2:8) which contained many trees (Genesis 2:9). These "*trees*" in the Garden of Eden are symbolic trees, and represent the family trees of races and nations. The following verses in Ezekiel 31:3-9 confirm the truth of this statement. "*Behold, the Assyrian (nation-race) was a cedar in Lebanon...and under his shadow dwelt all great NATIONS...the cedars in the garden of God could not hide him; nor any tree in the garden of God was like unto him in his beauty. I have made him fair by the multitude of his branches; so that all the trees of Eden, that were in the garden of God, ENVIED him.*"

1 Corinthians 15:47 in referring to Adam says, "*The first man is of the earth, earthy: the second man is the Lord from Heaven.*" This verse does not mean that Adam was the first man on earth. For to do so, would also mean that Jesus Christ, "*the Lord from Heaven*", was the second man on earth. This is absurd, and no one would ever believe that until the birth of Jesus there was only one man on earth. The context of this verse clearly indicates it is not talking about the first or second man, but is addressing the first state of adamic man, that is "*earthly, natural,*" and the second state of adamic man, which is "*heavenly, spiritual.*" Adam was the first son of God that was put into a natural, earthy body, and he was put into a white body.

According to the Bible chronology this event took place over 7,000 years ago, and it is interesting that this is the same time period that archeologists date the appearance of White civilization. The other races, "trees," were on earth long before the arrival of the adamic, white race, but with its advent began the history of

High Western Culture. These same evolutionists preach the hoax that Noah's flood was worldwide. Through such they attempt to prove the Satanic lie of racial equality in saying that after the worldwide flood, all races came from Noah.

Again the Bible disproves the very statements that they claim it makes. In Genesis 6:13 God says that He will *“destroy the earth.”* The Hebrew word “erets” translated “earth” in this verse literally means “country”, and is translated as such 140 times in the (King James Version) Bible. A few references are when God told Abraham to *“Get thee out of thy country (erets)”* (Genesis 12:1), and when He told Jacob *“Return unto thy country (erets).”* (Genesis 32:9). Abraham did not get out of the earth, nor did Jacob return back to earth. They traveled to and from an “erets”, a country.

God only destroyed the “erets” where Noah lived, and not the whole world. If YAHWAH was going to destroy the world, then He would have said so, and the Hebrew writer would have used the word “tebel” which means world instead of “erets”. See the comparison in 1 Chronicles 16:30. YAHWAH did destroy Noah's country because of racial mongrelization which is further proof that all two legged creatures did not come from one race. Noah's family was the only one which was *“perfect in his generations”* (Genesis 6:9). The Hebrew word translated “generations” in this verse is the same as in Genesis 5:1 which means “race.” The Hebrew word translated *“perfect”* is “tamiym” which means “pure, unadulterated, not mixed”. Noah was saved, delivered, and all mongrel non-whites destroyed, just like with Lot and Sodom and Gomorrah (Jude 7). God has eternally commanded His chosen white people to maintain their racial purity, and any deviation produces a breed whose *“every imagination of the thoughts of his heart was only evil continually”*. (Genesis 6:5) Now you can understand about the rise in crime in every White Western Nation with the influx of non-whites.

The Bible is the book of White Western Man's development as the true Israel, the chosen people of God, and not the Jews who are impostors. This is a study in itself which is addressed in other articles, a few of which are [“ADAM WAS NOT THE FIRST HUMAN”](#), [“JEWS AIN'T ISRAEL”](#), [“WHO IS ISRAEL”](#), and [“CHILDREN OF GOD & THE CHILDREN OF SATAN”](#).

Since the Bible's theme is the white race, individuals are not dealt with except according to their rank within the racial nation. Neither the Old or the New Testament is about “individual salvation”, but they are both filled to overflowing about the salvation of God's adamic Israel, white race. This national message has been hidden by the sophisticated sermonettes from the ministerial, ecumenical alliances of Christ and Belial. No, Jesus did not come to save lost individuals. He said, *“I am not sent but onto the lost sheep of the house of Israel.”* (Matthew 15:24) Again Jesus points to the national theme in Matthew 21:43 by saying that the Kingdom of God would be *“given to a NATION”*, and later in Matthew 25:31-46 He says that the judgment will be between *“all NATIONS”*. In this passage He commands the white Israel sheep nation to *“inherit the kingdom prepared for you from the foundation of the world.”* Jesus even instructed the disciples, *“Go not into the way of the Gentiles, but go rather to the lost sheep of the house of Israel.”* (Matthew 10:5-6)

This national salvation, as Paul points out, was even written by the prophets of old. *“And so all Israel shall be saved: as it is written, there shall come out of Sion the Deliverer, and shall turn away ungodliness from Jacob: for this is My covenant unto them, when I shall take away their sins.”* (Romans 11:26-27 and refer to Jeremiah 31:31-34)

How much more RACIAL could it be? The Biblical examples are legion, but nothing could be simpler than Genesis 5:1, *“This is the book of the generations of Adam”*, the white race. The Bible is the book whose central character is White Western Man. It is the history, past, present, and future, of his accomplishments, and the struggles waged in bringing forth the Kingdom of God. *“You are a chosen generation, a royal priesthood,*

an Holy NATION, a peculiar people; that you should shew forth the praises of Him who hath called you out of darkness into His Marvelous light.” (1 Peter 2:9) What was said then should be more apparent now.
